

"Shane Owens brings it all...vocal, writing, performance, and passion. He has paid his dues, remained committed to traditional country and brings you a song with heart and a story. Songs that will get you through the tough times and enjoy the happy times; and, lyrics that will remind you of the threads in life that make you the fabric you are today. He will bless you with his talent and his kindness. To Shane, I gladly pass the baton..."

Randy Travis

SHANE OWENS

- Latest album release *Thankful For Country Music* featuring the single "Hard Luck Girl"
- MusicRow "Independent Artist of the Year" 2018
- Grand Ole Opry debut in 2017 and invited back for additional appearances.
- Multiple appearances at CMA Music Festival and Jamboree In the Hills, both of which were voted as the top two American country music festivals of the year.
- Cracker Barrel hand picked single "19" and "God and the Ground She Walked On" to be included in their exclusive collections, Country Faith America and Country Faith Love Songs.
- "Country Never Goes Out of Style" single featured in the popular Netflix series *The Ranch* as well as their Spotify playlist.
- Named as one of Rolling Stone Country magazine's "10 New Country Artists You Need to Know!"

New music. New album. New shows. Shane Owens continues to move forward, but he also remains rooted in the sound that launched his career, breathing new life into a sound that's at once fresh and familiar.

"I've grown my business the old-school way," he explains. "I played the honky-tonks for years. I developed myself and my sound. It can be tough when you've got a traditional sound, but I can't be anything I'm not. If it was easy to do, everybody would do it. And I'm nowhere near done doing it."
